Discussion:

Revise the Trustlands budget.

Principal Johnson shared with those in attendance the upcoming proposed Trustlands plan.

- There will be an increase in the Trustlands funding from the past years.
- Proposal is to increase aide time for additional aides in the building to assist their two interventions for students behind in reading.
- Continue to pay for Mastery Connect to assist with common assessments.
- Pay for some technology needs as relates to literacy.
- A new Chrome book lab.
- Continue with extended day kindergarten intervention.
- Provide professional development for teachers.
- Provided subs for teachers to attend professional development.
- Provide classroom libraries for new teachers.

All were in favor of the new plan
